Eligibility for Series contention

1. A 2009 CCA/UCI Race License issued by Cycling BC (blue license card) must be held.
2. This is a best 5 of 7 race series. The best 5 results will be used to calculate the series standings. For example, if all 7 events are completed, 2 of your worse results will be dropped. U15 (13-14) race series in DH is the best 3 of 5 as the Smackdown DH & Arduum are not "U15 Friendly" courses.
3. The Finals are mandatory. This means you must attend and at least start the Finals to be in Series contention, but this result can still be dropped if applicable.
4. Note: One-event and citizen license holders may participate in any BC Cup, however are not eligible for Series points or prizing.

Your 2009 BC Cup Series will include

- A BC Cup Champion named in all licensed age categories except for Citizen.
- Recognition at the Finals for the top 3 Series winners in each age category.
- Updated points and leader announcements every Wednesday following a BC Cup event.

- Standard Pro/Elite prize purse and a Series Leader's jersey for XC & DH- see below for further information.
