### Updates

The pilings are installed for the new Cabin at the base of the Rolling Hills. The wet weather has shut us down on this project until next year. I would like to thank Doug Dean for all the work he did to obtain the land lease from the feds.

An easy trail has been blazed through the Rolling Hills to the Wranglers Cabin; we are awaiting permission from the Feds, etc. to clear it; we would be able to groom to the Wranglers again if this goes through.

We are looking for a Corporate Sponsor that would want to have naming rights to the Wrangler Cabin in exchange for maintaining/painting it. Please contact Alex Millar at [z77@shaw.ca](mailto:z77@shaw.ca) or call (403) 318-8365 if you are interested.
