

February Cuba Prayer Requests

Praise God

Thank the Lord for the huge number of people coming to Christ through house churches.

Thank the Lord for freedom to worship, preach, teach and evangelize in Cuba.

Prayer Requests

The Los Pinos Nuevos Denomination (LPN) wants to see all of their churches involved in evangelism in a program called “Connect.” Pray God would renew in the heart of each Christian the need to be a true disciple who not only hears God’s Word but puts it into practice, allowing God to use them as He desires.

Pray for LPN churches as they seek to raise up an army of 5000 Cuban prayer intercessors who will pray for their country, for evangelism, discipleship, for pastors and leaders.

Pray for LPN church planters. The denomination is increasing their church planting efforts throughout the country, especially in the major cities of Cuba.

Pray that local LPN churches would seek to make an impact in society by their love and help to those who are most in need. Pray for their ministries which provide meals to the elderly and others who can’t care for themselves.

Ask the Lord to continue to give the Cuban church liberty to preach the gospel. Thank the Lord that His church in Cuba can evangelize, disciple, plant churches and openly worship in their country

Pray for LPN as they train pastors, church planters and lay leaders who will lead the church in the coming years. Ask the Lord to raise up a new generation of Christian leaders within Cuba.

Pray for Marlon, son of the pastor in the town of Zaza del Medio. He is very sick but there is no firm diagnosis. Pray, too, for healing for the wife of Hernán Castillo. Ask the Lord to bring healing to these two.

Lift in prayer the youth in the tourist city of Trinidad, where many have become involved in prostitution and similar occupations. Pray as Christian youth are disciplined in this city.

Pray for pastors, lay leaders, denominational leaders in LPN. Ask the Lord to teach them to always depend on His strength and wisdom in all they do. Pray for their families.
