

# August Cuba Prayer Requests

## Praise God

Summer camps for children, youth and families are taking place at the Los Pinos Nuevos (LPN) Seminary despite a critical water shortage.

## Prayer Requests

Continue to pray for rain for central Cuba. Although there have been some showers, the LPN seminary wells are still dry. Crops at the seminary farm are hardly growing. Trucking water to the seminary for staff and students is very expensive and a huge drain on their limited resources.

Summer Christian Camps are underway in the LPN denomination. Pray for leaders, teachers, activities leaders, cooks, and especially for the children, youth and families attending camps. Ask the Lord to speak into the lives of each one who serves or participates.

Preparations are underway for the fall LPN Seminary classes. Pray that students will arrive in September with a commitment to obey God's will in every part of their life. Pray for good summer ministry as students serve in churches all across Cuba.

Pray that the Holy Spirit would use his Church in Cuba, each believer, to make a huge impact in Cuban society, reaching each city, town and village with the gospel.

Pray that LPN would have an ever-renewing vision of what God wants them to do in Cuba. Pray the LPN Seminary would be able to continually change to meet the educational needs of students in a society which is rapidly changing.

Ask the Lord to direct the affairs of the LPN denomination and seminary, working through their leaders to see His will accomplished in Cuba. Pray each one would be truly obedient to the Lord's leading in their life and ministry.
