

## **RE/MAX Invitational Golf Tour**

### **THE RULES**

**Rule 1.** Have fun! It's just a game and this is meant to be a fun tournament. Enjoy the company, the course and your round.

**Rule 2.** If you pay you play. No refunds.

**Rule 3.** No rain checks. We have never been rained out, although we came close May 20 2005 at Swan-e-Set Bay. Plan on playing regardless of the weather.

**Rule 4.** First in, first out. Your tee time is determined by when you pay for the next round. The first players to send in their green fees are the first players to tee up.

**Rule 5.** You can trade tee times if you want. Don't ask Michael to arrange that for you. Keep your contestants list of names and phone numbers and refer to it when selecting a person you want to trade with. Call them and get their **consent** to the switch. If they agree, **then** call Michael with the change.

**Rule 6.** No Wimpy golf i.e. "I'll gladly pay you Tuesday for a round of golf today." Pay your green fees by the scheduled cut-off date.

**Rule 7.** Show up on time for your round and play ready golf. If you can hit your shot safely, without endangering other players in your group do it.

**Rule 8.** Stay within one shot of the foursome ahead. Try not to delay the players behind your group.

**Rule 9.** Don't hit into the group ahead of you. Be patient with and courteous of the other players.

**Rule 10.** Card all your strokes. If you shoot a 12, mark a 12. Please don't hand in a card with circle around a number.

**Rule 11.** No mulligans. Ever.

**Rule 12.** No gimmie putts. Ever.

**Rule 13.** You can only win one trophy. Low Gross scores first. Low Net second.

**Rule 14.** Your trophy round score must be included in the best four out of five rounds.

**Rule 15.** You must play the trophy round to qualify as a contestant.

**Rule 16.** Check the website for your tee time and score before calling Michael to inquire.
