## CONCOURS D'ÉLÉGANCE

**C**oncours d'Élégance is a classic car show, open free to the public on Labour Day weekend Saturday, 10:00 am to 4:00 pm. The cars (and this year, motorcycles) are displayed along Water Street in Gastown Richards Street to Maple Tree Square, from oldest to newest. Categories range from "Pre-1930" to "1958 to 1973", and elegance and faithful restoration are the criteria for selection

*Steamworks* and other, mainly Gastown-based businesses sponsor the event. The finely crafted vehicles in the Gastown setting make this show very popular and enjoyable for car buffs and for casual viewers who enjoy craftsmanship and style wherever they may be found.

So many beautiful details in these cars. Champagne and hors d'oeuvres, anyone?

The media darling car of 2004 was a 1929 Model 'J' Duesenberg, restored by John Dart, his son and grandsons, over the decades since 1951.
