
Danny & Kiku

Photos: Gord McCaw

October, 2008

Our birds are true companions, though Danny (blue) is a tame old lady and Kiku a young foundling, just learning to trust people.

(Continued.../)

Though Danny can be pretty bossy, Kiku still seems to regard her as a mentor and sticks close by, learning many new things through imitating her.

(Continued...)

Danny is a lucky little widow, losing Zacky but gaining a sunny female friend. We're lucky too: every slight sign of growing trust on Kiku's part feels like a small victory.
