F.M.I. Food Marketers International Ltd. originated in 1991 and over the years has grown to include personnel with over 150 years of experience in sales and marketing.

F.M.I. Food Marketers International Ltd. is based in Vancouver, B.C., Canada. They are suppliers of fresh, frozen, canned, value added seafood's as well as other food products.

Canned salmon and specialty salmon products are a very large part of the F.M.I.'s business. They can pack all retail and food service sizes. In addition to regular packs of canned salmon, F.M.I. has unique packs of canned smoked and/or natural skinless boneless salmon, smoked oysters and a full range of canned seafood pates.

The company actively markets value-added frozen seafood's to both the retail and food service markets in North America and overseas. F.M.I. can cut to order any species PBO, PBI, skin on or off, vacuum pack, I.Q.F. or shatter pack.

F.M.I. has the ability to offer their buyers the choice of using private label brands e.g. "President's Choice" or their own company labels. In addition to marketing our own products we are pleased to represent St Jean's Gourmet canned seafoods, mustards and Chanterelle Mushrooms, Dungeness Development

Associates canned Shrimpmeat, and Hagensborg full line of Seafood Pates and Chocolates.
