

About the Westcoast British Motorcycle Owners Club

The Westcoast British Motorcycle Owners Club (BMOC) was established in 1985 by a group of motorcycling enthusiasts. The purpose of the club is to preserve, ride and enjoy British Motorcycles, both classic and modern.

Club activities include rides, shows, camp outs, social events, technical sessions, monthly meetings and weekly breakfasts.

The emphasis is on social and technical activities. Members also receive, our entertaining and informative newsletter, *Good Vibrations*.

BMOC members are located in nearly all regions of B.C. In addition to the Vancouver & Lower Mainland group, there is an active Okanagan Chapter and many members on Vancouver Island.

Many of our members, male and female, young and old, are active British bike riders, however membership is open to anyone with an interest in British bikes, old or new.
