

STORY THEATRE COMPANY, JIM LEARD, ARTISTIC DIRECTOR

Presents

Developed originally for BC's 150th Anniversary, and featuring local musician and storyteller Mark Hellman, this 40-minute presentation uses folksongs and storytelling to take audiences on a musical ride from the BC Interior to Vancouver Island. BC's unique landscape and rich cultural history are the inspiration for this special performance, perfect for adults, families and seniors alike. Invite us as a special treat for your clients and residents or as part of a thank you to your volunteers.
