

The powerful formula of Benefect® Botanical Disinfectant is now available in a wipe!

Makes Cleaning Tools and Equipment so easy!
Non-Staining & Non-Corrosive
No Synthetic or Potentially Hazardous Chemicals
Health Canada Registered (DIN#02303841)

Cleans and kills over 99.999% of Germs*

Most cleaning wipes just move the bacteria around but Benefect® Botanical Disinfectant Wipes contain our proven Disinfectant formula to kill bacteria! Ideal for use around high risk clients such as children, pets, elderly or those with chemical sensitivities.

Cleans ♦ Decontaminates ♦ Disinfects ♦ Deodorizes ♦ Prevents Cross-Contamination

Benefect® is made from botanically pure, biodegradable plant extracts. No ammonia, alcohol, bleach, synthetic fragrances, dyes or other synthetic or potentially hazardous chemicals. It is non-corrosive & non-staining on most metal, plastic, wood, vinyl or concrete surfaces.
