

# Accommodations: (Sylvan Lake, U-14 Boys)

Due to Sylvan's popularity for summer vacationing we were unable to secure reservations at any Sylvan Lake motels. Also being held the same weekend in Red Deer is the Coca-Cola Classic soccer tournament, so accommodations in Red Deer are also at a premium.

Therefore accommodations for group rates have been reserved in Red Deer and Rocky Mountain House instead. Red Deer is located 20 km east of Sylvan Lake, while Rocky Mountain House is 65 km west of us.

All rooms have been booked for Friday July 7 and Saturday July 8, so if additional dates are required, that will need to be arranged at the time of booking. Other accommodations may be available in Sylvan Lake or Red Deer, though getting group rates may be unlikely.

There are also many camping areas in and near Sylvan, Red Deer and Rocky Mountain House. Campgrounds around Sylvan Lake are in very high demand, but there are many campgrounds in the area such as Gull Lake (Aspen Beach Provincial Park).
