# Past Events

## Templeton NC Lion's Installation at Cheers

The Installation was a blast. We had a great turn out. There were different Lions from all over the mainland. We had such guests such as Henry Ng district governor, and Ben Mah from the Chinatown Lions.

The Evening began with Becky and Jennifer Welcoming the guests. Then, we had a "fashion show," since the theme of the installation was, retro. We'd like congratulate the winners. After, Laura started us off with O' Canada followed by Cindy who led the Invocation. Then, it was time to eat. The buffet was totally outstanding. Hopefully, the food filled our stomach. Then it was time for our Installation Officer, Glen Cho, to announce our new board members. Soon after we followed it up with a two games. The first game was to have two teams and which ever team finished their peanut butter cracker

on their knees will win. Good job to the winning team. Lastly, we had the awards given out to the members who chaired any event. And we ended the night with a dance.

Special thanks to Borching, Peggy, and Miranda for organizing this event.
