

SHE IS JUST AWAY

That she is dead - she is just away!

*With a cheery smile, and
a wave of the hand,
She has wandered into an
unknown land,*

*And left us dreaming how
very fair*

*It's needs must be, since
she lingers there.*

*And you - oh you, who
the wildest yearn*

*For the old-time step and
the glad return.*

*So think of her faring on, as dear
In the love of there as the love of here:
Think of her still as the same, I say:
She is not dead - she is just away!*
