St. Stephen's Church
West Vancouver**

Medication Policy

Any medications (over-the-counter and/or prescribed) required by a youth member must be brought with him or her in original packaging with dosage instructions in a resealable clear plastic bag (e.g. Ziploc) with his name on the outside of the bag. Medications will be given to the Scouter or first aid provider upon arrival at the camp or activity for storage. Medications are to be self-administered by the youth member. The Scouter or first aid provider will supervise the taking of medication by the youth member according to the instructions provided. The youth member must be willing to take his or her medication.
