## History Preservation Project - Release Form

I, \_\_\_\_\_, the undersigned, am a participant in the Calgary Japanese Community Association's History Preservation Project ("CJCA History Preservation Project). I understand that the purpose of the CJCA History Preservation Project is to collect video/audio oral histories, documented personal histories, photographs and other artifacts pertaining to the history of the Japanese community in Calgary. I also understand that any items or information gathered in relation to the CJCA History Preservation Project will be donated to the Calgary Japanese Community Association's permanent collection. I understand that the Calgary Japanese Community Association plans to retain the product of my participation as part of its permanent collection and that the materials may be used for research, exhibition, publication, presentation on the World Wide Web and successor technologies, and for promotion of the Calgary Japanese Community Association and its activities in any medium.

I hereby grant to the Calgary Japanese Community Association sole ownership of the physical property delivered to the Calgary Japanese Community Association archives, and the right to use any property that is the outcome of my participation - for example, my interview, performance, photographs, and written materials - as stated above. By granting this permission I understand I do not give up any copyright or performance rights that I may hold.

I also grant to the Calgary Japanese Community Association my absolute and irrevocable consent for any photograph(s) provided by me or taken of me in the course of my participation in the CJCA History Preservation Project to be used, published, and copied by the Calgary Japanese Community Association and its assignees in any medium.

I agree that the Calgary Japanese Community Association may use my name, video or photographic image or likeness, statements, performance, and voice reproduction, or other sound effects without further approval on my part.

I release the Calgary Japanese Community Association, and its assignees and designees, from any and all claims and demands arising out of, or in connection with the use of such recordings, documents, and artifacts, including but not limited to, any claims of defamation, invasion of privacy, or right of publicity.
