Master's Corner

Brethren welcome back from the festive season. I'm sure that you are all full of energy as a result of all that turkey!

We had a wonderful turnout for our Christmas dinner and once again I would like to thank Bros. Botham, Flintoft and Keen for their tremendous effort.

We continue to attract new members which is a wonderful thing and gives many of our newer MM's expanded roles in the performance of the ritual.

I encourage you to attend our first meeting in January to support the DDGM and have your say in who you elect for the coming year.

Brian Porter, WM
