

What is the MCA?

The Metchosin Community Association (MCA) is a non-profit “community-building” organization open to all members of the community. The MCA was formed in 1993.

Our Purpose

Our Association serves the purpose of initiating, encouraging and organizing a variety of educational, recreational, cultural and other community activities within Metchosin.

How we do it

With the exception of a salaried part-time office coordinator, our Association is run solely with volunteers from the community.

Why become a member?

The benefits of becoming a member of the MCA include but are not limited to:

- Early notification of events.
- Opportunity to participate in members-only events.
- Reduced rental rates of the Community House.
- Opportunity to volunteer in the community and to serve on the Board.
- Only members can vote at the MCA AGM.
- Pride in supporting the MCA’s ability to provide vital services in the community.

Memberships are good for one year. Please join us!

Metchosin Community House

In 1999, the MCA Board of Directors approached the District of Metchosin and arranged to lease, for \$1/year, a run-down residence located on the Municipal property.

After months of volunteer efforts, this residence became the Metchosin Community House which opened its doors in 2000.

Yearly fundraising efforts keep the Community House operational.

In 2008, the Metchosin Community House was extensively renovated to include a fully equipped kitchen and full wheelchair accessibility.

Today, the Metchosin Community House serves as an information and resource centre as well as an emergency shelter.

Please visit our website or contact us to find out more about our programs and how you too can get involved.

The administration office in the Community House is open Monday to Friday from 9:00 am to 12:00 pm.
