100years

Thank you for donating your new and gently items to Bissell Centre!

Your donations help support the Bissell Centre Thrift Shoppe!

Bissell Centre Thrift Shoppe has been serving Edmonton for decades, providing an economical alternative for shopping and a place to donate clothing and household goods. The Thrift Shoppe is a social enterprise of Bissell Centre providing low income families and individuals a venue for purchasing high-quality products at very affordable prices. Products offered include men's, women's and children's clothing on a seasonal basis, footwear, houseware items, books, and collectibles.

And your contributions also help support our Community Closet!

The Community Closet is a voucher-based program assisting low income families and individuals by providing basic essentials of clothing and household goods at no charge. This program, originally offered at the Bissell Centre Thrift Shoppe, is located in the basement of Bissell Centre's East building. The Community Closet has proven to be very successful as service users now have their own place to 'shop' with dignity assisted by dedicated support staff.

There are a number of other programs that benefit from community donations like yours, including Employment Services, Essential Community Support Services, Recreation and Wellness, and Child and Family Resources.

Bissell Centre is always in need of contributions from the generous Edmonton community. They can be brought to either Bissell Centre East or the Bissell Centre Thrift Shoppe.
