David Gibbons is a former student who is now in his third year of studies with David Meek at the Vancouver Academy of Music, specializing in Vocal Performance. David was Anna Maria Kaufmann's guest tenor at the very successful Benefit concert she gave in March at Cross Roads Church.

He will return to continue his studies toward a Bachelor of Music. We wish this promising son of Red Deer success as he continues to prepare himself for the world's stages.

Carley Splett studies violin with Louise Stuppard - Thompson in her Red Deer studio

Teresa Allred is a well known pianist and teacher in Red Deer and has played for David since he was a child singer in the Tree House Theatre Company.
