Newsletter June 2006

We have come to the end of another great year of music making and learning and I hope all of you enjoyed it as much as I did.

Our recital on June 25th was a grand success, thanks to all the students who performed, to Vernon and Teresa, our pianists, but to Vernon in particular, who was so generous in spending time with all of you to help you prepare your songs. If you have not yet paid him, please remember to do so soon.

A big thank you to all the parents, wives, husbands and friends who helped with the refreshments, with handing out programs, meeting and greeting the audience members, and other tasks.

If any of you have some good pictures from the recital in your digital cameras would you share them with me so we can put them on the website?
Please look at the recital pictures that Bev took.

The Recital Program and Registration forms for the next semester/year will also be posted on the website.

Congratulations to Nicole Brooks for winning the scholarship for the "Most Improved" Student Of The Year. As well, congratulations to Kendra Edwards and Nicole for winning scholarships at the Red Deer and District Festival of the Performing Arts this Spring.

Voice lessons will resume at your regular time in the first week of September, unless we have mutually agreed to change your time. Let us plan to make the year 2006-2007 a great one for your vocal development.

I wish all of you and your families a happy summer holiday.
