One song can spark a moment.

One flower can wake the dream.

One tree can start a forest,

One bird can herald spring.

One smile begins a friendship,

One handclasp lifts a soul.

One star can guide a ship at sea,

One word can frame the goal.

One vote can change a nation,

One sunbeam lights a room.

One candle wipes out darkness,

One laugh will conquer gloom.

One step must start each journey,

One word must start each prayer.

One hope will raise our spirits,

One touch can show you care.

One voice can speak with wisdom,

One heart can know what's true.

One life can make the difference,

You see it's up to YOU!!!

Build memorable moments with those who are important in your life.

Be and like who you are and so will others.

Life is the process, not the product.

What is your Perception?

What do you see in this picture? Do your cabin mates see the same thing? Who is right?

Start this week off with new perceptions, don't throw away the old ones, and just look at them with new or different eyes.

Find this tree in camp area and then ask Tammy what the story is about it

On Sunday afternoon after the youth had arrived and were registered they had an opportunity to meet each other and tell the other youth about themselves
