

Simon Says (available in English or French)

- Is a children’s book to help children understand their FASD diagnosis. This book also gives parents a resource to initiate discussion of a diagnosis, and gives schools an opportunity to explore tolerance and understanding for students with this disability.

Polly Anna the Second (available in English or French)

- This book is intended to help teenagers, who may or may not have Fetal Alcohol Spectrum Disorder (FASD) to understand more about the condition.

Rainey & Red

- A book for adults with Fetal Alcohol Spectrum Disorder (FASD).

Employability

- A booklet to assist professionals working with individuals affected with FASD in the area of employment.

Calming the Storm

- A book of strategies for parents, guardians, and caregivers who care for individuals with FASD.
