One of the reasons our 41st Annual Labor History Conference is scheduled when it is, is because the national ILWU Convention and Caucus Meetings surround our days of meetings. That also means that many of the union hotel rooms in Downtown Seattle are taken. So, space is limited. We need you to act quickly for the spaces we have booked.

We have 12 rooms with two double beds, 5 with one Queen bed and 12 with Deluxe King bed. Net rates for the rooms are \$109.00 US plus tax(15.6%) for 1-2 persons occupancy. Please add \$10.00 per additional adult in the room for triple or quad occupancy. Rooms are blocked until May 8, 2009.

To receive this group discount, individual guests must ask for the Pacific NW Labor History Association Group when booking their reservations. Reservations must be guaranteed with a credit card and a credit card must be presented at the time of check in for room charges, tax & incidental charges. Guests will call directly to the hotel at 206.682.0200 to make their reservations.
