

The Annual Renewal Mission

The ARM is called to contribute towards spiritual renewal among Christians both personally and corporately and to be of service to the Anglican Church. We believe that Jesus Christ is Saviour and Lord and the only way to the Father; we accept the authority of Holy Scripture and affirm that the Holy Spirit empowers authentic worship, evangelism, ministry and service.

We believe that God is awakening the Church to the realities of the historic Pentecost through the gifts and ministries of the Holy Spirit as revealed in the New Testament and as experienced today in the worldwide movement of the Holy Spirit.

David Carson has been a Pastor for 30 years both in the UK and Vancouver, having previously had a career as a chemist in the dairy industry. He has pastored in Metrotown for the last 12 years and is currently with Central Christian Assembly. He is also the director of Intercessors

For Canada. He is a Canadian with family roots in Saint John, New Brunswick. David and his wife Beth have been married for 42 years, and have one son Tom. David tends to bring pioneer vision and energy to a project and has been chairing the prayer working group for the 2010 Winter Olympics in Vancouver.

Dr. George D. Johnson has served in apostolic and pastoral functions for many years: mentoring city leaders. As a Senior Pastor, he has served four churches. He is the founding pastor of Cedar Park Church, in Bothell, Washington. He also pastored Richmond Pentecostal Church,

Richmond, B.C and Elim Tabernacle, Saskatoon, Saskatchewan. He presently pastors Harvest City Church, Vancouver, B.C. He holds a Doctor of Ministry Degree in Spiritual Formation from Canadian Theological Seminary. His focus of study is the movement of the Holy Spirit throughout church history. Joyce, his wife serves along with him in pastoral, apostolic and prophetic ministry. George and Joyce have three married children and eight grandchildren.

William Beasley is a graduate of Wheaton College and Yale Divinity School and has been involved in starting new congregations in the Chicago area. He also supports church plants led by catechists at Northwestern University and in Kenosha. He works with the Redeemer Family of Churches.

William has a real heart for Rwanda, especially how we can learn from Rwanda's emphasis on raising up lay catechists and planting churches. He has a passion for Jesus' prayer in Christian Unity which for William has to do with releasing God's people into mission. To be around William is to catch fire with a fresh Kingdom vision for reaching the world for Christ. He has challenged the Chicago AMiA congregations to pray towards reaching one in 100 Chicago citizens, bringing them to Christ and into God's church. William and his family live in Glenview, IL.

Dr David Demian is a medical doctor from Egypt whose passion is to 'walk with God' and be part of preparing the body of Christ to fulfill John Chapter 17 unity. Since 1998, God has led David and the Watchmen team on a journey of healing and reconciliation in Canada and

internationally. David resides in Vancouver with Ruth and their seven children.

"that they may all be one; even as You, Father, are in Me and I in You, that they also may be in Us, so that the world may believe that You sent me." John 17:21 NKJV
