Registered Charity #NR5901535

*Thanks A Bundle  
Foundation*

My name is Susie Norris and I am recently recovering from my second bout with cancer. Prior to entering hospital I started a charitable foundation called "*Thanks A Bundle Foundation*" (It Grows From The Routes)

The purpose of Thanks A Bundle Foundation is to promote and encourage fundraising by securing paper routes. The proceeds from the funds raised will be donated to a charity of the fundraisers choice via Thanks A Bundle Foundation. Charitable donation receipts will be issued.

Adults can be involved by advertising health benefits of walking a route themselves, with a child or a friend. They will be helping a charity at the same time.

Build community spirit and recognize outstanding children or groups for fundraising efforts.

While in hospital I was deeply touched by a book my sister gave to me called *The Power Of Giving* by Azim Jamal & Harvey Mckinnon. I practice the advice given in this book and I understand the importance of giving. This helps make the world a better place (all proceeds go to a charity).

Giving also means giving to yourself. Take up a paper route, and you receive the health benefits of walking, enjoying the fresh air, meeting new friends and making some extra money.

Newspapers are read all over the world.. The potential for the Thanks A Bundle Foundation is huge! Giving in this capacity helps all of us. You can make a difference by connecting and supporting others.
