Happy New Year!

Thank you so much for your support to our Christmas Sharing program this holiday season. Your contribution helped Chilliwack Community Services to provide toys and gifts to needy children at Christmas time.

Chilliwack Community Services is an independent local charity providing caring community services to help people make positive change in their lives. It is our vision to be a leading partner in helping our community be the best it can be.

The Christmas Sharing Program exemplifies this mission with the whole community contributing, much in the same way as you have: donating food, toys and/or money, adopting a family, volunteering at our toy house, hosting special events for collection of gifts; or helping to transport the gifts.

Over 5,000 toys and gifts were donated in addition to generous cash donations, making the holiday season brighter for 712 children and youth. The kindness and generosity of individuals like you brought smiles to faces of children who would not have celebrated the holiday with the same anticipation and joy as other children do.

Since 1928, Chilliwack Community Services has been maintaining the tradition of helping families at Christmas. We look forward to continuing our work with needy families in 2008 and to working with you again.

Sincerely,

Dale Cuthbertson,
Executive Director

PS We would like to invite your to a tour at our agency to learn more about what we do beyond helping at Christmas. Attached is a schedule of dates for you to choose from.

Changing lives....for life!
