Dear Friend/s,

On behalf of our clients and the Board of Directors, members, staff and volunteers at the Surrey Christmas Bureau, I am extending our heartfelt thanks to you for your donation of toys which helped us ***Provide Hope*** to many less fortunate families in 2005.

With your help, this year we brightened Christmas for 1895 Surrey families with 4,018 children. Through the support of people like you, these families will be able to feel part of our community.

Enclosed is an official receipt for your donation if you have not already received one. Again, for all of those touched by the generosity of your gift and spirit this Christmas Season, I extend our utmost gratitude.

Sincerely,

Barry Shiles, Chairman
